

*Thank you for your interest in becoming a Restoration Depot provider!*

Here's how it works. Providers agree to sign an independent contractor agreement for a six-month term and to provide at least one virtual service per week that is 45 minutes to 60 minutes in length. That is just twenty-four classes and twenty-four hours of your time over a 6-month period. Providers are paid at the beginning of the following month after providing services by auto deposit via Square.

All providers receive \$5 per registered participant who is in attendance for each virtual service provided. The Restoration Depot is national, so you have significant earning potential as we grow! As an example, if you have 50 participants, you earn \$250 for an hour of your time!

Provider fees include a \$250 non-refundable onboarding fee and at \$100 Zoom hosting fee (covering \$19.99 per month for 5-months, with your first month free), for a total of \$350 due at the time of the submission of your signed contract. In the event you terminate your contract early, your Zoom hosting fee will be refunded on a prorated basis.

The first step is filling out the Provider Application and emailing it to: [Support@AuthenticallyU.biz](mailto:Support@AuthenticallyU.biz). Once we receive that document, we will review it to determine service fit and then schedule a Zoom call with you with our founder. Upon approval, we will send the Independent Contractor Agreement (ICA) and invoice for the provider fees. When we receive the signed contract and payment, we will send you the provider instructions document with a checklist of the items we need to complete your onboarding process.

*Thank you again for your interest, and we look forward to working with you!*
